# Welcome from the President and Vice-Chancellor

Diverse in our makeup and united in ambition –  
we pursue excellence in knowledge and learning to  
transform our community, our world and beyond.  
We are Citizens of Change.

PROFESSOR SIR NISHAN CANAGARAJAH  
PRESIDENT AND VICE-CHANCELLOR

Dear Applicant,

Thank you for your interest in this exciting opportunity to help shape the future of one of the UK's most ambitious and forward-thinking universities.

The University's Citizens of Change strategy continues to guide our direction, with its commitment to research inspired education, world changing research, and a strong focus on people, partnerships and impact. As we look ahead, we are actively refreshing our strategy to build on our progress and ensure we remain responsive to a rapidly evolving higher education landscape.

At the heart of our approach are three enduring values, inclusive, inspiring and impactful, which define who we are and the University we aspire to be.

We believe equity, diversity and inclusion are fundamental to creating a thriving environment for work and study. With staff and students from over 100 countries, we benefit from a rich diversity of perspectives that strengthen both our University community and our city.

Our recent achievements reflect this strong foundation. Leicester has been named Daily Mail University of the Year 2025 and shortlisted for Times Higher Education University of the Year 2024 and The Times and The Sunday Times University of the Year 2025. We now rank 28th in The Times and The Sunday Times Good University Guide 2026 and have risen to 33rd in the Complete University Guide. We are also proud to be in the top 15 for student satisfaction in the 2025 National Student Survey, and to have been ranked 26th globally for Research Quality in the Times Higher Education World University Rankings 2026.

Our academic excellence is further reflected in a Gold rating in the Teaching Excellence Framework and a top 30 performance in the Research Excellence Framework, with REF 2021 marking our strongest ever result and a significant rise in national rankings.

We are also responding decisively to the financial challenges facing the higher education sector, including constrained funding, rising costs and global uncertainty.

We continue to deliver impact at scale. Over the past three years, we have secured more than £100 million

in research funding on multiple occasions, including a landmark £10 million award from the Leverhulme Trust to establish the Leverhulme Centre for Humanity and Space. We are also advancing major international partnerships, including our collaboration with Apollo Hospitals in India through the Centre for Digital Health and Precision Medicine, and expanding our global footprint across Asia through strategic partnerships and recruitment initiatives.

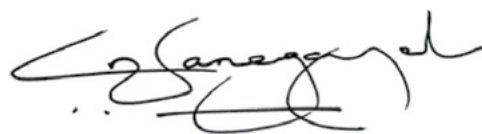

Against this backdrop, Leicester continues to strengthen its position, with sustained improvement in league tables, strong National Student Survey outcomes and excellent performance in the Knowledge Exchange Framework, reflecting the commitment and talent of our staff and students.

We are seeking an exceptional candidate to join us as Director of External Relations to develop and deliver an integrated strategy to strengthen the University's reputation, brand and student recruitment performance. Working across Professional Services and the Colleges, you will drive sector-leading domestic recruitment activity and ensure progress toward the University's five-year student number targets within a competitive and evolving regulatory environment.

Reporting to the Deputy Vice-Chancellor, Professional Services you will provide strategic leadership for the University's end-to-end external relations activity, including marketing, communications, domestic student recruitment and the Attenborough Arts Centre.

This is a significant and challenging role for a candidate of the highest calibre – someone with vision, drive, and the ability to leave a lasting legacy of achievement.

If Leicester sounds like the place for you, and you have the skills, experience, and ambition to make a difference, we look forward to hearing from you.

# Living in Leicester

**Leicester, Leicestershire and Rutland are rich in culture, heritage, and leisure activities, from our vibrant multicultural city, to the beautiful market towns and rural villages.**

Often described as the heart of rural England, the area features beautiful country villages, the National Forest, great rivers and castles and a cosmopolitan city centre, making it an exciting and diverse place to live and work.

Leicester is one of the UK's ten largest cities and represents the largest economy in the East Midlands region. It has a bustling and diverse atmosphere and recent regeneration (to the tune of £3 billion) has made this cosmopolitan city even more exciting. Leicester is home to the state-of-the-art Curve theatre, as well as large and multicultural festivals. It is famous for its diversity and offers an amazing chance to dive into many different cultural

celebrations. Leicester celebrates Diwali (the Festival of Light) with spectacular lights, stunning street parades and dazzling fireworks. This is attended by 35,000 people and is the largest celebration of the festival outside of India. The city also hosts an annual Pride Parade (Leicester Pride), a Caribbean Carnival and the largest comedy festival in the UK.

The University, working in close partnership with the city, has been the inspiration behind two of Leicester's most famous tourist attractions. The award-winning National Space Centre – the UK's largest attraction dedicated to space exploration – and the King Richard III Visitor Centre which retells the dramatic story of the University's discovery of England's most infamous King. Leicester is well-known as a sporting capital – hosting the country's best-supported rugby team the Leicester Tigers as well as Leicester City Football Club and Leicestershire County Cricket Club.

The city benefits from a large number of public parks including Abbey Park and also Victoria Park which is adjacent to the University. Leicester is steeped in history, dating back to the original Iron Age settlement which was to become an important Roman trading centre with a commanding position on one of Britain's

most important routes – the Fosse Way. Leicester’s manufacturing industry reached its height in the 20th century, driven by world-renowned hosiery, textile, and footwear enterprises that shaped the city’s identity and powered its economic growth.

On Leicester’s doorstep is the National Forest, offering cycling, riding and walkways, adventure activities and some of the most impressive landscapes in the region, including Charnwood Forest and Swithland Reservoir. To the east is Rutland Water, one of the largest man-made reservoirs in Europe, which supports a wide range of water sports. Leicester and the surrounding region offer a wide choice of property to buy or rent. In the city itself, there is a diverse mix of housing and apartments. Both new and older properties, including substantial homes, can be found in leafy parts of Leicester within easy reach of the University. Alternatively, there is property available in the attractive villages and market towns in Leicestershire and Rutland such as Market Harborough and Oakham. House prices are markedly less than those in London.
